CMW MAKES PERSONNEL ADDITION

CECIL TAYLOR NAMED WELDING ENGINEERING LABORATORY SPECIALIST

CMW Inc. welcomes Cecil Taylor to the company as an Engineering Laboratory Specialist. Cecil's responsibilities include preparation for and performing involved laboratory tests, experiments and investigations on raw materials, manufactured parts and experimental products.

Cecil is a native of Indianapolis, Indiana and graduated from Purdue University in 2006 with a B.S. in Chemical Engineering.

CMW is very excited about the contributions that will be made by its expanded team. CMW, the former Mallory Metallurgical Co., is an Indianapolis, Indiana based manufacturer of highly-engineered metal alloys and composites used in a broad array of industrial applications. CMW makes products in three primary market segments with business units dedicated to arc-tolerant electrical contacts, high-density metals and resistant welding consumables. Dating back to 1916, it owns dozens of highly recognizable patents and registered trademarks around the world.
