CMW MAKES PERSONNEL ADDITION

JEFF SCHEMEL NAMED WELDING Major ACCOUNTS MANAGER

CMW Inc. welcomes Jeffrey L. Schemel, who joins the Resistance Welding Business Unit as Major Account Manager. Jeff's responsibilities include introducing CMW's new patent-pending products Elkaloy® 20 Cap Electrodes and CMW® Finned Cap Electrodes to the Automotive marketplace and growing CMW's business in that market.

Mr. Schemel most recently served as a Technical Salesman for REGO-FIX Tool Corp for more than seven years. Jeff was responsible for Kentucky and Southern Ohio as well as independent manufacturer reps in the Northeastern United States. Jeff is a native of Rockford, Illinois and graduated from Illinois Wesleyan University in 1992 with a B.S. in Business Administration.

CMW is very excited about the contributions that will be made by its expanded team. CMW, the former Mallory Metallurgical Co., is an Indianapolis, Indiana based manufacturer of highly-engineered metal alloys and composites used in a broad array of industrial applications. CMW makes products in three primary market segments with business units dedicated to arc-tolerant electrical contacts, high-density metals and resistant welding consumables. Dating back to 1916, it owns dozens of highly recognizable patents and registered trademarks around the world.
