CMW Makes Personnel Additions

Steve Schelonka Named Company Controller

CMW Inc. welcomes Stephen P. Schelonka as the company controller. As the controller for CMW Inc., Steve will be responsible for corporate financial reporting, financial planning, and budgeting. In addition, he will also oversee Management Information Systems (MIS).

Prior to joining CMW Steve was the Division Controller for IMMI, an Indianapolis based materials company. Steve made great contributions at IMMI in the areas of Accounts Payable, Model Cost Development and Product Costing. Steve has also served as a Senior Consultant for Pricewaterhouse Coopers.

Steve brings to CMW a wealth of knowledge in the area of accounting, in addition to a Master of Business Administration from Butler University, a Bachelor of Business Administration from the University of Notre Dame and a CPA from the state of Indiana.

CMW is very excited about the contributions that will be made by its expanded team. CMW, the former Mallory Metallurgical Co., is an Indianapolis, Indiana based manufacturer of highly-engineered metal alloys and composites used in a broad array of industrial applications. CMW makes products in three primary market segments with business units dedicated to arc-tolerant electrical contacts, high-density metals and resistant welding consumables. Dating back to 1916, it owns dozens of highly recognizable patents and registered trademarks around the world.
